

proAV is a full-scale audio, lighting, LED, video, stage & rigging rental house.

Constant update of our top of the range inventory in all segments of gear, enables us to provide the level of service that we are committed to.

Either you simply need a projector & a projector screen, or you need a complete audiovisual set-up for you conference, we have a comprehensive stock of equipment available, for you to hire.

And without the need to break the bank!

The following options are available:

- A. **Simple Hire (Dry Hire):** You are picking up the gear from us, and bring it back to us.
- B. **Hire + Delivery:** The delivery & picking up is made by us.
- C. **Hire + Delivery + Set-up:** The logistics along with setting up & dismantling is made by us.
- D. **Full hire of Gear + Services:** End to end service, with equipment & event execution exactly per your request. **Please note that when we are subcontracting for other A/V or production companies, neither our staff nor our equipment/vans etc are branded**

Never before, the hire of equipment has been easier, and more efficient!

So, We handle the details, **You get the credit!**

- Kurzweil & Kronos stage pianos
- Shure & AKG various stage mics for instruments & vocals.
- DPA specialized mics for specific instruments.
- IEM wireless systems by Sennheiser & Shure
- Wired IEM by Aviom (A320) & Behringer (P16 / P1)
- Various instrument & music stands, stand lights, stools, thrones, rugs, etc.

C/ Conference & Exhibition Equipment

- Live streaming and web casting equipment by industry leading brand: BlackMagic Design.
- Video mixing consoles by Roland.
- Special/activity cameras by GoPro
- Simultaneous interpretation system by JTS
- Full Translation booths AudiPack & tabletop
- Televoting systems.
- Tour guide systems by JTS
- Conference / Gooseneck mic systems by Bosch & AKG
- Big Mic Ball throwable microphone.
- Plexiglass Lecterns / podiums
- Digital signage & Digital roll-up monitors by Samsung
- Touch monitors small & large format by Samsung
- Comfort & timer monitors by LG
- Tablets & laptops by Lenovo
- Flip charts / OHP Over Head Projectors
- Moving screen systems
- LED screens & video equipment as per below sections

D/ Video Equipment

- Video wall seamless, 55'' LG monitors, Professional Series, 24/7, digital signage operation
- Monitors 82'' Professional Series, 24/7, digital signage operation, by Samsung
- Large monitor inventory, in the following dimensions: 23'', 32'', 40'', 48'', 55'', 65'', commercial and digital signage, with media players.
- Large inventory of EPSON & Christie projectors with various short throw & tele Lenses, up to 12.000 lumens.
- 16:9 & 4:3 format back & front projection screens, in various dimensions by AVStumpfl
- FHD & 4K Video mixers by Roland: V-600UHD / V-40HD / V-1HD / V-02HD / V-4EX, for various applications.
- Livestreaming & Webcasting equipment by BlackMagic Design
- Fiber Optics & UTP long distance video signal transmission.
- Hdmi & VGA distribution amplifiers, repeaters, converters, etc by Kramer.
- Video mapping software and equipment.
- Moving screen system.

E/ LED wall

- LED wall 2,8mm pixel pitch (P2.8), by LEDSquare Technologies (by Division), black led, 16bit color, high refresh rate-3.000Hz, 1.000nits
- Curvable, +5° / -5° per 50cm.
- Ground, stage or suspended rigging applications, with relevant stages and/or trussing, motor hoists etc..
- For widescreen applications and large format screens.
- Novastar controllers.
- Fiber Optics & UTP long distance video signal transmission.

F/ Décor & Atmosphere Lighting

- Retro/vintage Blinder WW & RGB washer, 3x60watts WW + 48x0,5watts RGB leds, by BlizzardPRO Lighting (Lux Capacitor) [Portman Hybrid, combining P3 PIX3L & P1 Mini Led],
- Wireless 6Color Uplighter RGBWAUv 9x12watts LED by BeamZ Professional (BBP60)
- Wireless 4Color Uplighter/Par RGBA 5x5watts LED by ADJ (QA5)
- Beam/wash ZOOM par 19x15watts RGBW LED by BeamZ Professional (BAC550Z)
- IP65 Building washer 40x15watts RGBW led washer with various angle filters & W-Dmx by Cameo (Zenit 600)
- 6 Color par RGBWAUv 12x12watts LED by BeamZ Professional (BWA532)
- Washer bar 4 color RGBW COB 12x30watts LED, 50° angle, pixel mapping by FI Lighting
- LED bar 3 color (RGB) 18x3watts, pixel mapping, by Stairville (Show Bar Tri)
- String Lights & Fairy Lights in custom specifications & configurations.
- Pin spots warm white & battery powered cool white or RGB, magnetic
- Architectural lighting with Tungsten & LED floodlights.
- Custom and subtle hanging towers and bars, to fit & hide into any environment.

G/ Entertainment & Stage Lighting

- Beam 7R moving lights by Color Imagination
- Beam/wash Zoom moving light 19x15watts RGBW LED by AudioTech
- Spot moving lights (CMY / Iris / CTO / Gobo projection) by ACME (Xp300sz / iSolutions)
- Beam led moving lights InnoColor beam 12 by ADJ
- Framing profile lights by ETC (Source 4 & S4 Junior)
- Par 64 / Par 56 / Par 36 / Fresnel / PC stage & theatrical lights
- Atomic 3.000 strobe lights with color scroller by Martin
- Stage blinder 2x100watts LED COB warm white by LH Lighting.
- Follow spots 1.200watts HMI
- Disco balls in various sizes
- Haze & smoke machines by Look Unique
- Gayzer Co2 Jets by Chauvet
- Low lying fog machines by Le Maitre
- Power distribution stations, Dimmers, small to large scale.
- Grand MA3 onPC / Command wing + 2 x Touch screens + ArtNet by MA lighting
- Hog4 onPC / Programmer wing (Full board with touch screen) + Playback wing (Full board with touch screen) by HighEnd Systems
- Atel COM2 by ATEL Lights

H/ Stages & Dance floors

Staging

- Main dimensions: 2x1m decks.
- Special dimensions: 2x0,5m / 1x1m / 1x0,5m
- Hand rails
- Variety of fixed & telescopic legs, up to 1,4m
- Stage leg wheels for rolling risers e.g. for drummers.
- Steps with anti-slip surface & hand rails.
- Stage skirting in heights relevant to the stage height.
- Handicap / accessibility ramps
- Carpeting option for all our stage set-ups
- Red carpet catwalk, 2m wide.
